

ST. GEORGE'S DAY 2017

Rea Valley & Cole Valley South Districts

January 2017

To: District Teams, GSLs, Section Leaders

As you all know St George's Day is fast approaching, so we wanted to take this opportunity to provide you with some details for the day.

This year Rea Valley & Cole Valley South Districts will be joining together for a celebration of scouting which will include a parade, ceremony and after-ceremony activities. More details on each of these will be announced in due course over the coming months.

Current plans for the day are:

- **Date: Sunday 23rd April 2017**
- **Venue: Cannon Hill Park, Birmingham**
- **Parade will start at 11am in Cannon Hill Park.**

Obviously you can't have St George without Dragons! So to help create more of a "buzz" around the event amongst the adults and you people in the two districts we would like each group to create something Dragon themed to use in the parade! This will help get everyone excited for the event as well as helping to really publicise scouting to the general public.

We hope to see as many groups from the two districts on Sunday 23rd April with all your amazing Dragons!

More information coming soon...
